

Model 4410

Bumper pull car hauler

Featherlite Model 4410 car hauler offers functionality, durability and value for car enthusiasts while also providing a great option for UTVs, snowmobiles and other powersport cargo. Available as a bumper pull with lengths ranging from 20 to 32 feet, its sleek design will have you towing in style.

RIVETLESS SIDE SHEETS

The new standard patent pending smooth rivetless aluminum side sheets give the 4410 a new sleek, smoother look to the exterior of the trailer. It also allows for easier graphic application.

MATCHING SPARE TIRE

A matching spare tire is now standard on the Model 4410, offering even more convenience and value to trailer owners.

SMOOTH BOTTOM TRIM

A new smooth bottom trim on the 4410 adds even more sleekness to the redesigned model.

16" RAMP EXTENSION

The 16" full width ramp extension is now standard on the Model 4410. This provides owners a smoother transition from the ground to the ramp when loading their cars.
